RE: Instrumental Lesson Schedule - Full Year 2018-2019 school year

The following is an explanation of the program followed by a lesson group breakdown.

- Each student has a lesson group that will meet once every 6-day rotation. Lessons will meet for the full class period.
- A student’s lesson block will **always meet on the same day** however the block will change based upon whether he/she is on a rotation “A” or rotation “B” cycle. The A/B rotations ensure that a student is not pulled from the same class every six days. In essence, a student will only miss a class once every 12 days of the rotation (approximately once every 2 ½ - 3 weeks).
- Half of the battle will be for each student to remember what day of the schedule his/her lesson falls on and whether it is an A or B rotation week. With your help, we together, can reinforce and remind students of their scheduled day/time.
- Assigned lessons are subject to change. Due to a large number of students working on low brass/woodwinds for the first time it will be necessary of move many students to other lesson times. You will be notified, in advance, of any changes.
- In my absence all lessons are canceled, unless otherwise notified.
- Lessons will begin **Monday, October 1, 2018.**
