October 2018

Dear Parents or Guardians:

At Har-Bur Middle School, we believe that parent-school communication is a significant factor in contributing to student achievement. One way we encourage this communication is through parent-teacher conferences. This year, we will be holding conferences on:

Thursday, November 1	-	2:00 p.m. – 5:20 p.m.
Monday, November 5	-	4:00 p.m. – 7:00 p.m.
Thursday, November 8	-	3:20 p.m. – 6:00 p.m.

Conferences, for 6th, 7th and 8th grades, are scheduled for twenty minutes with each team (five minutes with each team teacher). For 5th graders, conferences will be twenty minutes, ten minutes with each teacher. For many students, a conference of twenty minutes is adequate; however, some parents need more than five minutes with each teacher to discuss concerns and develop strategies for improving student performance. If you would like a more extensive conference with your child's teachers during school hours, call the School Counseling office at (860) 673-6163 (Mrs. Ferrucci, grade 5 ext. 17513, Ms. Williams, grade 6 ext. 17504, Ms. Hubbard, grade 7 ext. 17503 or Mrs. Watson, grade 8 ext. 17505).

You may also schedule a conference with a staff member from any of the departments from the following list: World Language, Reading or Math Interventionists, Wellness, and Fine Arts. Other teachers and the School Counselors will also be available throughout each session.

We will continue to use the "Pick-A-Time" Program to schedule appointments for our grade-level team conferences, allowing parents to choose available times using the Internet. Starting Tuesday, October 9, 2018 conferences can be scheduled online through the "Pick-A-Time" website. To make an appointment, parents need to access the link from Har-Bur's main web page at harbur.region10ct.org or use the following link: <https://pickatime.com/hbms2018/client?evt=326829>

In order to schedule your conference, please follow the attached directions.

If you do not have access to the Internet, please contact the school. Arrangements can be made for you to use a computer at the school. If you have any questions or need assistance, please call Mrs. Leon at (860) 673-6163 ext. 17502 or Mrs. Stater at ext. 17230.
