**Please note that should you be chosen as a chaperone the Region #10 Board of Education requires that all adults undergo a background check prior to the event. This is to ensure the safety of the students in the care of all chaperones accompanying any and all outside field trips. If you are selected and new to our trip you will be forwarded the appropriate paperwork via email to the address listed above. Should you be a returning chaperone from last year's trip or a current teacher within the district you have already gone through this process and will not have to do it again this year.**
