

6th Grade Tobacco Summative Project:

DUE DATE: _____

Objective: SWBAT... reflect and create an informational project on tobacco and its harmful affects on body.

We will have _____ classes to work on the project in class.

Computer Lab/Laptop Cart Day(s) _____

In Class Work Day(s) _____

*****You will need to do some work at home in order to complete this project in a timely manner. If you miss one of these class periods, it will be your responsibility to make up the work on your own.***

Upon completion of your project, you will have the option of giving a presentation of your project for extra credit. Your project can be an Essay, Brochure OR Figure Poster. If you have another idea for a project just ask!!

Directions:

Your project should discuss the topic of tobacco and it's many forms. A major portion of the project will focus on the negative impact on your body, and others around you. It should also discuss reasons why people begin smoking and ways to say no.

Essay Requirements

Five-paragraph (minimum) (5-8 sentences each)

Brochure Requirements
